HURRICANE HARVEY RELIEF

Hurricane Harvey may result in the largest hurricane disaster in US history. And like with other disasters in recent years, Calvary Chapels want to do all they can to assist in the recovery and serve as a bridge between those in need and those who desire to help. If you have a heart to help, please go to the "Hurricane Harvey Relief" banner at calvarychapelassociation.com where you may make a donation that will go directly to the relief effort. There is also information about organizing work teams to go and help once the needs are assessed. But most importantly, please pray that even in the midst of this disaster, the name of Jesus will be lifted high, and many will come to know Him through the love they sense from us.
